

Your task during Cornwall's 2nd stint in lockdown is simple:

Run the combined length of all of Cornwall's active railway lines and the 'Trevithick Trail' in Merthyr Tydfil, which is a total of 148 miles.

Break these down into sections or run one single long outing!

You'll have 6 weeks to complete the event, which will begin on Friday 6th November and finish on Friday 18th December 2020, giving you 2 extra weeks on top of the original planned length of the imposed lockdown.

1 - 'Cornish Main Line' (Penzance - Plymouth) = 79.5 Miles

2 - 'St Ives Bay Branchline' (St Erth - St Ives) = 4.25 Miles
